

Objectid	Description	Image	Thumb
739		 A large, vintage industrial engine, possibly a steam or diesel engine, is shown. It features two prominent pressure gauges on the left side, with scales ranging from 0 to 100 and 0 to 2000. The engine is mounted on a blue-painted metal frame. A large, dark, spoked flywheel is visible in the foreground. Various pipes, valves, and mechanical components are visible throughout the engine assembly.	 A small thumbnail image of the engine, showing a different angle or a close-up of a specific part.
