Objectid	783
Description	Start of dismantling at Somerford
Image	 A large industrial machine, possibly a steam engine or pump, is being dismantled in a workshop. The machine has a large, light-colored flywheel with a dark rim. A person in a blue uniform is bent over, working on the machine. Various tools and parts are scattered on the floor. In the background, there are metal cages and a brick wall.
Thumb	 A small thumbnail image of the industrial machine, showing the flywheel and the person working on it.
