Objectid	793
Description	Getting ready to lift onto transport at Malvern
Image	 A large red hydraulic crane, labeled 'HLR 55000 4S', is lifting a large green engine onto a transport trailer. The engine is suspended by a yellow lifting beam and chains. The scene is outdoors in front of a brick building with a large open bay door. The ground is paved, and another piece of equipment is visible in the background.
Thumb	 A small thumbnail image showing a close-up of the green engine, highlighting its various components and pipes.
