

Objectid	Description	Image	Thumb
992,516		 A green and brass engine mounted on a black metal stand. The engine has a complex arrangement of pipes, valves, and a large flywheel on the left side. It is positioned in a workshop setting with a white wall and a wooden floor.	
992,516	On arrival	 A close-up view of the engine, showing the green painted body and brass components. The word 'KELVIN' is visible in red lettering on the front panel. The engine is resting on a wooden pallet, and white protective material is draped over parts of it.
