Objectid	Description	Image	Thumb
992,533		 A large, green-painted engine, likely a vintage model, is shown. The word "STUART" is prominently displayed in red, raised letters on the front of the engine block. To the left of the engine is a large, red, circular flywheel. The engine is mounted on a wooden base. Various mechanical components, including a brass-colored valve or adjustment knob, are visible on the right side of the engine. The background is a plain, light-colored wall.	 A small, square thumbnail image of the same green Stuart engine, showing the red flywheel and the "STUART" branding.
