Condition	Working
Core	true
Accession No	IF:2003:020

Collection Id	Internal Fire Core Collection
Shortman	
Image	 A photograph of a green industrial machine, possibly a pump or engine, with a large flywheel on the left. The machine is mounted on a concrete base. A dark, viscous liquid is leaking from a joint on the right side of the machine and falling into a white bucket on the floor. A black power tool is resting on top of the machine. The background is a plain white wall.
